

National Headliners

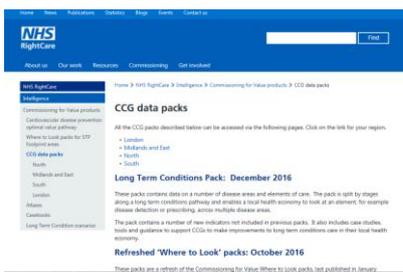

New Patient Empowerment Video to support End of Life (EoL) decision making is now available: NHS England and NCPIC have produced the making of a new video “Getting the most out of palliative care” for patients. View [here](#) on NHS Choices.

NHS England EoL Webinars: If missed the first time, there is an opportunity to view the last two webinars again:

- EoLC Webinar on **Transforming EoLC in hospitals** - October 17, 2016): listen [here](#)
- EoLC Webinar on **Palliative Care Funding** - December 13, 2016: listen [here](#)

NHS RightCare releases new CCG Long Term Conditions Dataset Packs: These packs are split by stages along a Long Term Conditions (LTC) pathway and contains a number of new indicators, case studies, tools and guidance to support CCGs to make improvements to LTC care in their local health economy. Download [here](#)

Verification of Death Guidance for Registered Nurses is now available: This guidance will help staff be clear about their responsibilities and the process of verifying deaths as smooth as possible. Download [here](#)

Working together in partnership to improve quality and care in End of Life in the South West

End of Life Bulletin January 2017

Evaluation of the End of Life (EoL) Social Action Fund: This document looks at key findings and lessons learned from the evaluation of the EoL Social Action Fund. The report explores how effective social action befriending services were at improving quality of life for adults in the last year of life and aims to provide lessons for similar interventions in the future. Download [here](#)

Getting Real About the National Commitment Conference 10th March 2017, London: This event will bring people with personal experience as well as practitioners and leaders in the field together. The outcome of the day will inform and shape the implementation to ensure that end of life care is embedded in all plans across the health and social care sector. Hear more about the event [here](#)

Regional Updates

Share and Learn about Personal Health Budgets at the End of life: This is for professionals to hear about the aspects of helping people at the EoL to gain more choice and control over their care with a Personal Health Budget within Integrated Personal Commissioning on **Wednesday 8th February 2017, Junction 24**
