

National Headliners

Hospice UK releases “No Painful Compromise”: Hospice UK in partnership with NCPA has released their recent guide for commissioners and providers to improve pain management for people dying at home.

Download the Guide [here](#)

NCPC publishes revised Mental Capacity Act Guidance: with the previous edition published 10 years ago, this revised version “**Good Decision Making: What you need to know about the Mental Capacity Act and end of life care**” is intended for both people approaching the end of life and their families and carers, and staff working in health and care. Download the Guidance [here](#)

Dying Matters in Wales launches new Advance Care Plan Website: developed in partnership with NHS Wales, NCPA, Hospice UK and the Digital Legacy Association. View [here](#)

NHS England EoL Webinar: If missed the first time, there is an opportunity to view the last webinar again:

- Palliative and End of Life Care for Children and Young People listen to the [recording](#)

End of Life Bulletin June 2017

Transforming urgent and emergency care services in England: This guide for local health and social care communities published in 2015 provides a practical summary of the design principles to deliver safer, faster and better urgent and emergency care for people in all age groups with physical or mental health problems. Download [here](#)

Regional Updates

Brentor & Moor Compassionate Neighbours Project launched: this small charitable organisation, run entirely by volunteers and its work radiates out from the small village of Brentor, on the fringes of Dartmoor in West Devon. It has been set up specifically to support individuals who may be suffering from a serious long term condition, living with a life-limiting illness, and/or approaching the end of life. For more information visit www.bmcneighbours.org

What Matters to Me: a Human Rights approach to end of life care free workshops: The workshops at the [Taunton Rugby Club](#) are open to anyone working in health or social care.
